Hi Folks

Below is a link to a DEQ FTP site for accessing the "DRAFT Guidance for TMDL Implementation Plan Development for Urban/Rural Residential Land Uses within the Coastal Zone Management Area".

<ftp://deqftp.deq.state.or.us/usr/gfoster/CNPCPTMDLIPGuidanceDRAFT.docx>

This document is a draft. One of the areas we are looking at improving is including a decision making framework to assist the users in the selection of management measures or management practices.

But, I wanted to get this out to EPA and NOAA so that you can see where we are to date.

Have a good weekend.

cheers
Gene
